

Job Notification Form, IIT Delhi

Company Overview

Name: MTX Group

Website: <https://mtxb2b.com>

Company Type: Private Sector

Startup: Yes

Year of Incorporation: 2018

Description: MTX Group Inc. is seeking motivated professionals to join our team. MTX Group Inc is a global cloud implementation partner that enables organizations to become a fit enterprise through digital transformation and strategy. MTX is powered by the Maverick.io Artificial Intelligence platform and has a strong presence in the Public Sector providing proprietary designs and innovative concept accelerators around licensing and permitting, inspections, grants management, case management, and program management. MTX is a strategic partner with Salesforce with specialty expertise in Einstein Analytics, Mulesoft, Customer Community, Commerce Cloud, and Marketing Cloud.

This role will be a part of the MTX R&D practice which is broadly split into Product Management & Artificial Intelligence teams. The Product Management team is responsible for owning and driving MTX flagship products, accelerators and internal initiatives from end to end. The AI team involves building and researching state of the art algorithms as well as analysing and training large datasets for our Maverick.io AI platform.
