Job Notification Form, IIT Delhi

Company Overview

Name:	Amplus Solar, a member of PETRONAS group
Website:	https://amplussolar.com/
Company Type:	MNC (Foreign Origin)
Description:	Amplus Solar, a member of PETRONAS Group, is Asia's leading distributed energy company providing low carbon energy solutions to industrial and commercial customers. Amplus provides clean energy to its clients by setting up both on-site solar projects (rooftop and ground-mounted) and off-site solar farms.
	Amplus is headquartered in Gurugram, India with regional offices in Bangalore, Bangkok, Dubai, Kuala Lumpur, Mumbai and Pune. Today, Amplus owns and manages a portfolio of 600+ MWp of operational and under construction distributed solar assets across India.
	Amplus' operational plants are expected to cumulatively generate 11890 Million units of electricity over the 25 years duration of the projects. The CO2 abatement over the lifetime of these projects amounts to 11.43 Million Metric Tonnes. The environmental impact can also be equated to 13.13 Million mature trees absorbing CO2 for 40 years.

Job Details

Designation:	Management Trainee
Type:	Analytics
Place of Posting:	Gurgaon
Job Details:	

New Products & Technology

• Build business cases for venturing into new products and technologies in the renewable energy sector
• Build a financial model, structure the plan and build an end-to-end roadmap for the implementation of the identified product
• Conduct market research on new technologies in the field and evaluate the fit of the same with the core business of the company
• Operational Analytics
• Build a Data-driven strategy to improve the operating performance of the company's assets
• Model and build tech products to support the high growth with high scalability and ease of use

Some of the skills that we are looking for irrespective of the functional specialization are:
• Self-Starters: You run things from the first day and should be able to work in unstructured environments. We love hustlers who believe in getting things done. A flat hierarchy makes you directly accountable for your work-stream
• Collaborative: The nature of our business is such that every project flows through each of the different departments and thus needs a collaborative outlook towards

each of the different departments and thus needs a collaborative outlook towards working. You can't work in silos and expect to succeed
• Biased towards action: While doing internet research and making fancy presentations is appreciated, an action-oriented outlook is what is really expected. You must be willing to get your hands dirty, and in our business, that phrase can be used "literally"
• Passionate: This is a dynamic sector and we are looking for passionate individuals with fresh thoughts to help us become an important player in this sector.
