Job Notification Form, IIT Delhi

Company Overview

Name:	QE Securities LLP
Website:	https://www.quadeyesecurities.com/
Company Type:	Private Sector
Description:	Quadeye is one of the largest India-based proprietary trading firms. Since inception, we have consistently grown at a handsome rate and have a distinct track record of success behind us. We run a stable business spread across asset classes and spanning the globe. Our greatest strength is our culture which takes a collaborative and non-hierarchical approach at work against an opposing prevalence in the industry. We strive as one team to stay ahead of the competition all the time.

Quadeye is a place of high expectations, deep curiosity where the only ceiling to your growth are your ambition and your smartness. Our culture gives an individual a unique opportunity to realize their potential and create a sizeable impact in a short period. We are looking for high performing individuals who are eager to learn, invent and make some serious money in the process. |

Job Details

Designation:	Quantitative Strategist
Type:	Information Technology
Place of Posting:	Gurgaon
Job Details:	We are looking to hire Quantitative Strategists who are excited to develop automated strategies for proprietary trading. These strategies would be targeted to explore different exchanges, asset classes and frequencies.
