Company Overview

Name: HDFC Life's Corporate

Website: www.hdfclife.com

Company Type: Private Sector

Description: HDFC Life, one of India's leading private life insurance companies, offers a range of individual and group insurance solutions. It is a joint venture between Housing Development Finance Corporation Limited (HDFC), India's leading housing finance institution and Standard Life plc, the leading provider of financial services in the United Kingdom.

HDFC Life's product portfolio comprises solutions, which meet various customer needs such as Protection, Pension, Savings, Investment and Health. Customers have the added advantage of customizing the plans, by adding optional benefits called riders, at a nominal price. The company currently has 37 retail and 8 group products in its portfolio, along with 9 optional riders catering to the savings, investment, protection and retirement needs of customers.

HDFC Life continues to have one of the widest reaches among new insurance companies with about 500 branches in India touching customers in over 900 cities and towns. The company has also established a liaison office in Dubai. HDFC Life has a strong presence in its existing markets with a strong base of Financial Consultants.
