Description:	If you need something, just Dunzo it!

Not that long ago, we were on whatsapp with a handful of customers, many of whom were friends and family, getting you anything you needed - groceries, food, even sending packages to anywhere in Bangalore. Today, we're an app covering Bangalore, Pune, Gurgaon, Hyderabad, Delhi, Jaipur, Chennai and Mumbai. Dunzo is a technology company, that makes local deliveries fast and easy - whether it's that quick run from your local store, or getting you that book that is available only in one store far away from you or even organizing your entire party!

The Dunzo team gets an on ground opportunity to shape a product for users across cities. You are shaping cities you've grown up in - by making them more accessible than before through the use of technology. We're solving an extremely tough problem, and we seek the best of minds who are great at problem-solving, passionate and willing to go the extra mile!
